Be Aware of Facebook Schemes

If you're a Facebook user, check out this video from ABC.com that tells about some of the common vulnerabilities that you and your computer may be subject to from using Facebook: <http://abcnews.go.com/Video/playerIndex?id=6975131>.

In addition, there's an article in PCWorld Magazine that the news video was based on at:

http://www.pcworld.com/article/159738/5_facebook_schemes_that_threaten_your_privacy.html

It's important to be aware of these and other computer security issues. For more information on computer safety go to <http://computersecurity.buffalo.edu/>
